

A summer without reading can mean a child will lose a full 2 months of reading skills over the summer.

This summer, skip the slide!

Sign family members up for accounts at the
El Valle Community Center Villanueva Library.

Here are just a few things your family can enjoy with a library account while keeping reading and language skills in shape for the school year.

- Free access to thousands of digital books for all ages, to read aloud or quietly, on your phone, tablet, or e-reader, through Overdrive.
- Free children's audio books through Overdrive and Audible Stories. Children learn as they listen to engaging readers tell great stories.
- Free activity boxes for check out from the library. Compliment your reading with story-related activities.
- Priority for all summer reading programs at the library. You won't want to miss our Kinder Story Circle for young emerging readers!
- News and updates on the newest items in the library's expanding collection.
- Curated reading lists to meet the needs of all the readers in your family.
- Your name will automatically be entered in a raffle for a free Kindle e-reader.
